Drip-catcher

## DRIP CATCHER

*A tub knitted in the round in a few minutes that you put on the spout of your teapot to catch the drips.*

### MATERIALS

- Scraps of yarn for 3 mm needles, choose an easy washable yarn (acrylic, cotton);
- dpn 3 mm ;
- tapestry needle for the finishing.

### REALIZATION

Cast on 20 stitches, join in the round. Work in rib k2p2 for 3 to 5 cm.  
Cast off. Wave the ends.

Enjoy!
